Universal Guitar Care Kit

Our Universal Guitar Care Kit is the perfect add-on to any guitar purchase! The kit will include everything a guitarist needs to keep their guitar looking just like new. The water based all natural polish has a light citrus scent and will not build up on the guitar. The peg winder makes changing your strings quick and easy. An assortment of picks allows for a choice of three weights.

Kit includes:

- (2) Soft microfiber cleaning cloths
Dimensions: 7.75 x 7.75"
Colors: Black and purple
- (1) 4oz. Bottle of guitar polish
- (1) Guitar peg winder
- (3) Celluloid picks
3 thicknesses: 0.46mm, 0.71mm and 0.96mm

Clip-On Chromatic Tuner

This tuner has a vibration sensor as well as a mic, which allows for pitch detection - making our CTA7700 extremely versatile! You can tune alone in a loud setting by using the vibration sensor or tune with others by using the mic. Features include a bright backlit display, 4 modes (chromatic, guitar, bass, violin), chromatic pitch pipe, flat tuning feature, calibration between 430 Hz and 450 Hz. This tuner can clip to most instruments, Band & Orchestra, as well as guitars and basses. A universal swivel joint allows for ample adjustment of the display.

4 Modes: Chromatic, guitar, bass, violin
Calibration: 430Hz - 450Hz

Extremely Versatile!

True-Bypass Pedal Tuner

An affordable yet rugged solution for your Bass or Guitar pedal board and amp setup! Our GTA7800 True-Bypass Pedal Tuner allows the player to tune on stage without being heard by the audience. Features include a bright LED display for easy viewing, a durable metal case, and calibration from 436 Hz to 444 Hz. The flat option allows you to lower the reference pitch by 7 half steps.

Dimensions: 4.5" x 2.75" x 1.75"
Weight: 0.7lbs. (11.3 oz/ 320g)
Power: 9V Battery (included)
9V/DC jack for power supply (power supply not included)
Switch: 3PDT True Bypass

- True-Bypass circuitry provides for zero signal distortion
- Selectable Mute mode silences output while tuning
- Flat tuning option, up to 7 downward 1/2-steps (perfect 5th) with LED
- Calibration from 436 Hz - 444 Hz
- Ventral battery compartment with removable battery door

Guitar/Keyboard Throne

The DT8500 is designed for flexibility and works well for guitarists and keyboard players. The height adjustable seat allows for a comfortable playing position. Both seat and backrest are padded and finished with a rugged leather-like vinyl. Braced legs maintain stable contact with the stage, and the footrest is ideal for guitarists. Quick set up and tear down make it an ideal solution for the gigging musician and a handy addition to any studio.

Height Adj.: 21-31"
(10 pre-set positions)
Base Spread: 16.5"
Padding: 12.25" Padded Vinyl
Color: Black

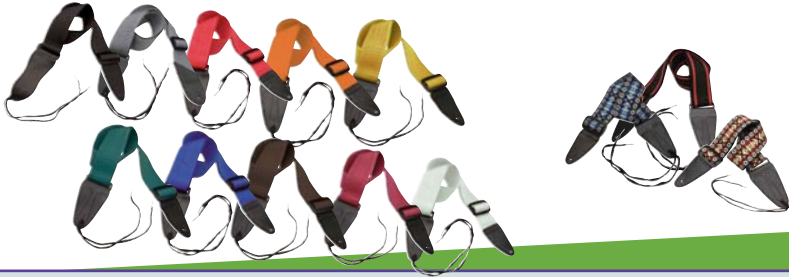

Power Off: After 5 minutes idle.
Number of Notes: 12 notes: 4C~4B
Built-in Speaker: ø27mm, dynamic speaker
Earphone Jack: ø3.5mm jack
Input Jack: 6.3mm jack

On-Stage GEAR

On-Stage Gear Guitar Straps

All straps are made to last with a durable 2" polypropylene webbing, 2-ply leather ends and reinforced stitching. The colors will not bleed and the edges will not fray! Adjustable length: 31-52".

Click-It Guitar Strap

This fully adjustable guitar strap is made from seat belt quality nylon webbing. It features reinforced stitching and an added Click-It lock design, making for quick and easy use. Adjustable length: 32-55".

HENNESSEY™ GUITAR PARTS

Hennessey™ Strap Locks

Jump! Swing your guitar! Be alive on stage! Push your axe in any direction and your strap will always remain locked on to your guitar. The Hennessey™ Strap lock, with its safe & easy-compress and release-action system, allows for easy removal of your strap and for a secure connection every time! All Strap Locks are packaged and sold in pairs.

On-Stage Gear Guitar Slides

Our chrome-plated steel slides come in a variety of ring sizes to suit the comfort and playing styles of every guitarist. Machined from heavy seamless steel, all our slides produce a rich musical sustain. The SLD209T features a heavier than usual wall, imparting a darker, warmer tone. All models include a custom-sized storage pouch with a snap spring closure.
