The Music People! Inc.

The Music People, Inc. is the parent company of some of the most recognized brand names in the music industry. The TMP family of brands provides products designed by musicians and production professionals, people who have real-world product application experience. The result is over 30 years of innovation and an array of gear with truly useful features and real-world durability.

On-Stage Stands®

On-Stage Stands, our flagship brand, has been around since TMP's early beginnings. Founded on a promise of affordability, durability and innovation, On-Stage Stands products are used everyday in studios, showrooms, and on stages everywhere. Over the years, the brand has grown to include over 300 products in 8 different categories: Guitar, Microphone, Keyboard, Workstation, Rack/Amp/Mixer, Speaker, Lighting, and Band & Orchestra. In each category On-Stage Stands has become a leader, changing the way musicians display, support, and protect their prized instruments and equipment. Today, professionals and amateurs all over the world put their trust in On-Stage Stands.

On-Stage GEAR

Launched in 2007, the **On-Stage Gear** brand offers essential products for guitar and keyboard players. For your convenience, dust covers, sustain pedals, guitar straps, and other On-Stage Gear products are located in the Guitar and Keyboard section of this catalog. New for 2010, On-Stage Gear adds a line of road-ready flight cases. Find them in the rack/amp/mixer section of this catalog.

HENNESSEY™ GUITAR PARTS

The **Hennessey Guitar Parts** rolled out in 2008, offering a newly designed series of premium strap locks. These cool new locks not only secure your strap for whatever guitar stunts you have in mind, but they look good, too. Find them in the guitar section of this catalog.

On-Stage Sticks

Since 2005, **On-Stage Sticks** has offered a line of durable, matched sticks available in a choice of wood species. An assortment of mountable bags and holders keep your sticks within reach.

DRUM FIRE

The **DrumFire** brand was first introduced in 1984 and brought back in 2009 by popular demand. DrumFire drumsets are available in two sizes: a standard size kit for most teens and adults, and a junior size for the smaller percussionist. These full-featured DrumFire kits come in a choice of colors. Accessories such as mats, dust covers, and bags are also found under the DrumFire brand.

HOT WIRES

The **Hot Wires** brand was introduced in 1979 alongside with On-Stage Stands. Hot Wires brand cables, snakes, and DI's provide working musicians and audio professionals with clean, reliable signal. We offer cables for instruments, microphones, and speakers.

VERSA•TEK

Versa-Tek products supply solutions for AV installation. A selection of flush-mount, adjustable and tilting LCD mounts allow monitors and televisions to be installed anywhere, opening up new design possibilities for any space.

Audio Spectrum™

Audio Spectrum offers an uncompromised entry into wireless, handheld, and studio microphones. Their clean and consistent sound can kick start any live or studio performance.

TMP has provided musicians, DJ's, and production engineers with innovative designs and roadworthy gear for over 31 years. The brands in this catalog continue the tradition of offering top-notch gear, outstanding in function and value.
