## Stands & Accessories

### A. MS7701B

34864

#### Euro Boom Mic Stand (Black)

Our best selling stand! This Euro Boom boasts a hybrid sheet metal and composite leg housing, making it virtually unbreakable. With a removable boom arm and its ability to fold flat, this stand is a must for every member of the band. Features a zinc mid-point clutch and black finish.

### B. MS7701C

72015

#### Euro Boom Mic Stand (Chrome)

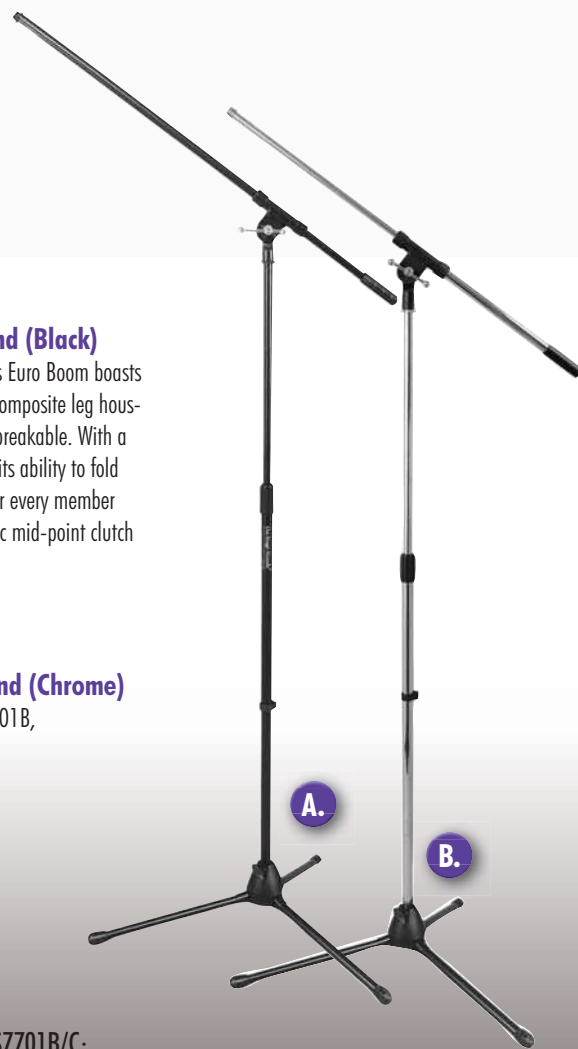

Same design as the MS7701B, but with a chrome shaft.

MS7701B / MS7701C

Boom Length: 30"

Height Adj.: 36-64"

Base Spread: 23"

#### Other Features for MS7701B/C:

1. The easy-to-use Euro-Style boom clutch featured in this series allows for convenient one-handed angle adjustments.
2. Tripod base leg housing is made from a combination of plastic and steel. Legs fold for easy storage and travel.

30077

**Euro-Style Tripod Base Mic Stand**

An extremely stable stand! Like the MS7701B, this tripod base stand also features long foldable legs and is ideal for the touring pro.

**B. MS7701TB**  
72036

**Telescoping Euro Boom Mic Stand**

This variation of the MS7701B adds a telescoping boom arm to provide the right boom length for any application.

MS7700B / MS7701TB

Height Adj.: 36-64"

Base Spread: 23"

MS7701TB - Boom Length: 19-33"

**PROFESSIONAL SERIES**

**C. MS9700B+**  
56983

**Heavy-Duty Tripod Base Mic Stand**

This heavy-duty stand is built to last! It features a solid steel upper shaft, ergonomically designed and anodized cast aluminum center clutch, steel leg housing with adjustable heavy-duty leg mounts, and a scratch resistant finish. A patent-pending anti-rotational device on the lower shaft allows for true one-handed height adjustments.

**D. MS9701B+**  
56984

**Heavy-Duty Euro-Boom Mic Stand**

Same features as the MS9700B+, with added 30" boom. Boom features an oversized angle adjustment knob for quick and easy adjustments and a non-slip clutch for secure positioning. A solid steel 5/8-27" threaded lug, oversized shock mount locking washer and removable steel counterweight complete the professional package!

**E. MS9701TB+**  
56985

**Heavy-Duty Tele-Boom Mic Stand**

Same as MS9701B+, but with a 19-30" tele-boom and added safety stopper.

MS9700B+ / MS9701B+ / MS9701TB+

Height Adj.: 36-64"

Base Spread: 24"

MS9701B+ - Boom Length: 30"

MS9701TB+ - Boom Adj.: 19-30"

**[DISPLAY]**

The MS7701B/C and MS9701TB are available with color POP displays (at right), making them immediately accessible in the store...a benefit for dealers and consumers alike.

**Hex-Base® Mic Stand**

The Hex-Base® is a unique OSS concept. Rubber feet at each of the six corners distribute the weight over a wide footprint, yet leave plenty of room on stage, combining the best features of tripod and round base stands. A super stable, space saving design.

Height Adj.: 33-61"

Base Spread: 11.5"

Base Weight: 8 lbs.

**B. MS7625B**  
29664

**Hex-Base® Quarter-Turn Threadless Mic Stand**

This revolutionary threadless stand brings an end to the seemingly eternal chore of screwing your microphone stand into your base. In one swift motion, just push down and turn the shaft one-quarter clockwise to lock, or push down and turn one-quarter counter-clockwise to remove. The uniquely shaped 9lb. base on this patented item means more room for foot placement. The low profile design makes for an especially stable stand.

**C. MS7625PG**  
35893

**Pistol Grip Hex-Base® Quarter-Turn Mic Stand**

Same as MS7625B, but includes a patented pistol grip clutch on the top of the stand for easy one-handed height adjustments.

MS7625B / MS7625PG

Height Adj.: 33-61"

Base Spread: 11.5"

Base Weight: 9 lbs.

**Other Features for MS7625:**

A spring-loaded plunger and patented anti-rotation design are featured on the MS7625B.

**A. MS7201B**  
72030

**Round Base Mic Stand, Black**

An industry standard! The 7lb. sand-cast base is sturdy enough for road abuse yet light enough to carry. This black powder coated stand sports a die-cast zinc clutch and is also available with a chrome shaft (MS7201C).

**B. MS7201C**  
72035

**Round Base Mic Stand, Chrome**

Same design as the MS7201B, but with a chrome shaft.

MS7201B / MS7201C

Height Adj.: 33-60"

Base Diameter: 10"

Base Weight: 7 lbs.

**C. MS7201QRB**  
72005

**Quik-Release™ Round Base Mic Stand**

This round base variation features a patented spring-loaded clutch trigger for fast two-handed operation.

Height Adj.: 34-62"

Base Diameter: 10"

Base Weight: 7 lbs.

Underside of Base

Our patented HEX-BASE® is constructed from 9 lbs. of sheet metal and is designed to eliminate movement when the user steps on the base for unwavering support.
