

ON-STAGE STICKS

Drum Sticks & Bags

Hickory & Maple Drum Sticks

To play with lightning speed you need sticks that are stronger, straighter and last longer... And, we found a quality wood that is perfect for just that! On-Stage Sticks have been logged, air kiln dried, shaped, sanded and sealed and are ready to make some thunder. Our Hickory and Maple wood sticks are offered with a nylon or wood tip in a variety of different sizes. Available in bricks of 12 pairs of sticks.

Clamp-On Drum Stick Holder

Keep up to 8 pairs of sticks conveniently within reach. The DA-100's C-shape mounting clamp attaches easily to most stands or other hardware. Its extension arm is angled downward at 45° for easy removal and placement of sticks while playing. Neoprene material absorbs shock vibrations and reduces unwanted drum stick rattling noises. The neoprene pocket can also be removed from the mounting clamp for easy cleaning.

Material: Neoprene with 1/4" reinforced binding;
Steel clamp and extension arm

Dimensions: 11" long; 3 1/4" diameter opening
