Non-Slip Drum Mat

Keep your drums from creeping across the floor. The DMA4450 is a lightweight and convenient alternative to the heavy, fraying rugs drummers commonly use to keep their drum sets from moving while playing. It is made from durable, non-slip PVC material, and its 4' x 4' area is perfectly sized for gigging in tight spaces. Two velcro straps and convenient nylon carry bag are included.

Dimensions: 4' x 4'
