Hex-Base® Conductor Stand

BAND / ORCHESTRA STANDS & ACCESSORIES

FEATURES AND BENEFITS

This innovative stand is truly designed for today's most demanding music enthusiast. At the heart of this stand is its clutchless internal retention system, along with the patented base design. This unique combination lets the user raise or lower the bookplate into position without the need for knobs or levers. The weighted base keeps the stand stable and the low-profile design makes for optimal space, ideal for any orchestra musician.

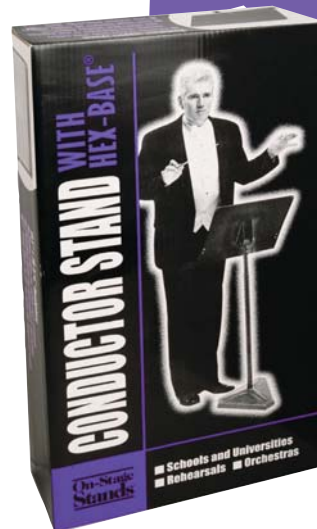

13½" x 19" Bookplate with 2" return lip.

Tension locking knob will adjust the angle of the bookplate.

Clutchless internal retention system allows for smooth one-handed adjustments

Patented Hex-Base® design is low-profile for optimal space and weighted to keep the stand stable
