

KMS7927B

Karaoke/TV Monitor Stand

PACK / AMP / MIXER STANDS & ACCESSORIES

FEATURES AND BENEFITS

This fully adjustable and durable karaoke monitor stand is a necessity for every karaoke gig. Removable locking casters attach to a durable high-impact plastic base and allow for easy transport for the KJ on the go. Five pre-set pin locking positions and a friction locking clutch make this stand height and angle adjustable. Complete with two microphone holders that can be removed for transport. Includes a tray for 2 drink cups and a nylon strap to keep the monitor in place.

2 Removable clamp-on mic clips.

Platform width adjusts from 13.5"-24" with dual locking knobs and a nylon strap will keep your monitor in place.

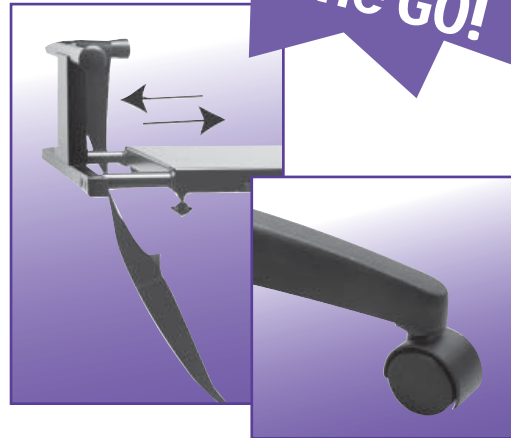

Height adjusts from 36"-56" with line-it-up adjustments and a locking pin for added security.

2-Cup drink tray.

Tapered shaft with friction locking knob for quick and easy assembly.

High-impact plastic leg housing with 5 legs and removable lockable casters.

For the KJ
on the GO!

The KMS7927B will fit a variety of monitors. And you can be sure that it is secure with added features such as the security strap, locking casters and high-impact plastic molded leg housing, spider style for extra strength and stability
